athena Patient"

Getting started with your new mobile app

Connect with us anytime, anywhere. It's as easy as 1-2-3...

Register on our Patient Portal.

Already registered? Go to Step 2.

- Visit our Patient Portal in a web browser. (Need help? Ask our staff how to reach it.)
- Follow the prompts to register with your email address and password.

Download the athenaPatient app.

- Open the Apple App Store or Google Play Store.
- Search for "athenaPatient". Careful! There are other apps with similar names.
- Install the athenaPatient app on your smartphone. The app works with iPhones and Android phones (but not iPads or tablets, sorry).

Log in and go!

- Open the athenaPatient app on your smartphone.
- Use your Patient Portal email address and password to log in.
- Explore! You can send us a message, view your test results and other health information, and more.
